

Job Title: Deputy Line Maintenance Manager

Reports to: Line Maintenance Manager

Department: Line Maintenance Department, ASL Airlines Ireland Head office, Swords, Co Dublin

Working Hours: 09.00 – 17.30, Monday - Friday

Based in Swords, Co. Dublin, Ireland, the Deputy Line Maintenance Manager will report to the Line Maintenance Manager. The successful candidate will support the Line Maintenance Manager in the management of Line Maintenance activities for the airline.

Primary functions include;

- Assist with the rostering and management of Line Engineers.
- Liaising with the Aviation Authority.
- Liaising with worldwide Contracted Organisations and other suppliers.
- Liaising with the CAMO department to execute the planning of aircraft maintenance.
- Ensuring the supply of tooling and equipment to the Line Stations.
- Liaising with the Logistics department.
- Liaising with the Quality and Compliance department to ensure the Line Stations are maintained to Part 145 standards.
- Liaising with the Finance department to ensure the accuracy of invoices and prompt payment of suppliers.
- Assist with the administration of contracts.

The ideal candidate should;

- Have a recognised aircraft engineering qualification.
- Have experience of Line Maintenance activities.
- Possess a sound knowledge of airworthiness regulations, such as EASA Part-M / Part-145.
- Knowledge of a recognised aircraft maintenance and engineering computer system such as AMOS, OASES or TRAX would be an advantage.
- Shall maintain competency on the basis of continued education and training in their area of responsibility. The company will facilitate this process.
- Have a basic understanding of general accounting principles.

**Closing date for all written applications is 16 December 2018.
